Charity Fraud Survey

Charity Fraud Survey

Help protect the UK charity sector from fraud by taking part in this year's charity survey, a vital initiative led by the **Fraud Advisory Panel** and **BDO UK LLP** for the fourth year running. Your insights will shape the annual charity fraud report and fuel future fraud prevention campaigns.

If you work for a charity, please take the survey — and if you advise or support charities, share it widely.

Let's strengthen the charity sector together!

We would like to thank everyone who joined us at **ECCTA: Considerations for Businesses**. This event included insightful and informative expert discussions and responses to the new Economic Crime and Corporate Transparency Act legislation.

We would also like to thank our **speakers** and host, **Pinsent Masons** for making ECCTA: Considerations for Businesses the success it was.

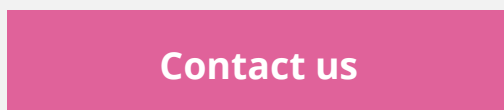

Thank you to all who participated in 'A Green New World' Future Counter Fraud Community webinar. Fraud has a significant and harmful impact on our environment, and we explored the concept of eco fraud. We were able to hear from and learn from counter-fraud experts about how they began their careers in counter-fraud and their guidance for those entering the field.

Join us from 25-29 November 2024 for a week of in-person events, webinars, articles, and resources designed to support charities and NGOs! If you work for or with charities, spread the word and support the cause.
